Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/28/08

Comments must be submitted by September 30, 2008.

I am against the proposed addition of trains within the Hawthorn Woods, Lake Zurich and Barrington areas. My family, my son's family, which includes three grandchildren, live in this area. The health and safety of our family will be negatively affected by the addition of more trains!

Please reconsider any further action to harm the families in these areas!
