Dear canadians / to whom it may concern. We are very concerned about these trains effecting our lifestyles. Traffic will become exessive and school transportation will fail. These trains have already caused havoc in our town. such as my late friend Mike expriienced. He was killed by these very trains. I would be horrible if these trains were to interupt our lives and living. My childhood in Barrington is great the way it is. with congestration, deaths, living costs go up, these trains need to be STOPPED! NOW!

Please don't ruin our lives with these trains! Barrington tennis team says stop the trains! NO Trains

YOUR INPUT IS IMPORTANT!
