Environmental Impact Statement

# Comment Form

**Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company**

**STB Finance Docket No. 35087**

**Date:** _____

**Comments must be submitted by September 30, 2008.**

I have lived in Barrington for 20 years. I commute to the City every day for work. On my walk from the train station to my home I must cross Lake Cook Road (or Main St.). Everyday the line of traffic extends from the UP tracks to Route 14. This traffic situation can only worsen with additional rail traffic on the EJ&E lines, presenting additional traffic delays, air pollution and safety concerns. Please don't approve the purchase by CN.
