Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

My concerns are
1. Increased traffic problems. Barrington is already "gridlocked"
2. Delays and inability to receive medical emergency service
3. Long term property value ramification.
4. ~~B~~ Railroad unwillingness to consider alternative solutions to community concerns.
5. Effect of expansion on Barrington business.
6. Financial support?

YOUR INPUT IS IMPORTANT!
