Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I am opposed to the purchase of the EJ&E rail line by Canadian National. With four grade crossings in the Village of Barrington, ½ mile to 2 miles lengths of trains moving through Barrington will tie up the four crossings at the same time will paralize our community. With current train traffic on the Union Pacific line and the car traffic of commuters moving through Barrington on any given day Barrington will have complete Grid Lock. What Canadian Nation needs to pay for viaducts for each of these four crossings
