STB Finance Docket No. 35087

As a 25 year resident of Barrington, I am pleading with you not to let this happen. I came from a very poor childhood. Worked hard all my life to finally live the American Dream, college Education, good jobs, saved for all the right things. Great School System, Great Hospitals, Great Libraries Etc. Now with the purchase of EJ&E by a foreign conglomerate no less — your STB Bill will wipe away all I have worked for my whole life.

This is a travesty — unspeakable costs will come to this village and you will witness its slow demise.
Then to ask us to PAY for the improvements of a foreign government's railroad is just so well — Anti — UN AMERICAN.
Use the railroads that are already in place in the city — further up it will be so much easier for everyone concerned.

God Bless you for making the best decision for Barrington — NO Freight Trains. Ever.

YOUR INPUT IS IMPORTANT!
