Transcript:

I am writing, I am calling in for the CN EJ&E Railroad acquisition um we are absolutely opposed to that. Um I live about uh a quarter of a mile from the railroad, I hear it as it is with the noise. Um it's about, I don't know, a couple of blocks away from a school and it has no um, no drop down bars, arms on the railroad crossing. I'm really concerned about the children crossing there from the school. Emergency response vehicles, traffic, having to wait at that intersection because I go that way quite often. I'm really opposed to this and I wish you would take my comment into consideration. Thank you
