Subject: CN Railway Co. / EJ&E
STB Finance Docket No. 35087

Dear Secretary Quinlan:

I am a resident of the Village of South Holland, I wish to express my support of Canadian National Railways effort to buy a part of E&J Railway and thus divert a majority of freight traffic to the EJ&E line.

For many, many years South Holland and its surrounding communities have contended with heavy freight trains congestion, long trains, horrendous fumes and traffic jams. This is an issue that directly affects our community.

If the CN proposal is approved, freight rail traffic will be more spread out throughout the Chicago region, giving residents in more populated areas with a lot of relief.

Thank you and the STB board in advance for your attention in this matter.

Yours truly,

YOUR INPUT IS IMPORTANT!
