Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Stop the trains because I don't want to be super late to school everyday. Also I don't want to spend 2 hours on the bus ride home. And the noise of those trains will be AWFUL! Also it will take a REALLY long time to just get to somewhere as simple as the pool and things like that. And who wants to sit in the car forever just for a stop'd train. THINK OF EVERYONE ELSE!

YOUR INPUT IS IMPORTANT!
