Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

We strongly oppose Canadian passing through Barrington with significantly increased schedule. It will hurt our community with traffic congestion and safety issues for our children. Additionally, it will pollute our community's natural setting which has attracted a lot of its residents to Barrington to achieve life and work balance and enjoy the lifestyle it offers.
