We moved here from Carmel, California for the quiet environment. Our neighborhood, "Jewel Park" backs up to the EJE R.R. We can handle a couple trains per day - we knew that when we purchased. The increase of 20 trains a day would give my family of six no other option but to move.

As far as the people who are currently neighboring the CN rail lines - they purchased their homes knowing that the trains ran frequently thru their neighborhoods.

Barrington is a lovely area - Please let us keep it that way.

Thank You,

Irish Buelow
