1 MS. MARY KELLY: We've been trying

2 to keep ourselves abreast of what is going
3 on and coming to the meetings and voicing
4 our opinion.

5 And in coming tonight and
6 visiting the areas for more information, I
7 did not appreciate being told by the man
8 that, "You'll get used to it." And that
9 didn't sit very well. Thank you.
