Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9/9/08

The trains in our area has resulted to many hazards for school children. The children that live west of railroad on 170th. These children are required to walk to school and must cross the railroad crossing daily. The delay in train and conjection result in many children not only being tardy for school but are at risk of injury. The reduction of train traffic in this area is very much needed.
