Message: I strongly oppose the takeover of the EJ&E by CN. It will create undue traffic congestion, dangerous traffic situations, noise, and pollution in my community. My kids are already wakened almost every night by trains blowing their horns at all hours of the night. I can only imagine what it will be like when CN turns this rail system into a major continental thoroughfare. I know that I don't have much say & that the decision has already been made by a group of wealthy elites. But you may at least register my opposition to this move.
