The Honorable Chairman Ann D. Begeman
Surface Transportation Board
Attn, Docket No. EP 526 (Sub-No.12)
395 E. Street, S.W.
Washington, DC 20024

SUBJECT: Docket No. EP 526 (Sub-No. 12) RAILROAD SHIPPER TRANSPORTATION ADVISORY COUNCIL (RSTAC)
VACANCY

Dear Chariman Begeman:

I respectfully declare my interest in the "small shipper" seat vacancy on the Surface Transportation Board's Railroad-Shipper Transportation Advisory Council (RSTAC).

I am the Director of Operation Services and Logistics (South Region) at Lehigh Hanson with responsibility for logistics that includes rail and truck shipments. Lehigh Hanson has a approximately 500 North America locations, with a fleet of over 2,000 railcars.

Lehigh Hanson is a shiper of Cement, Aggregates, and Slag products by rail. We currently ship on Union Pacific, BNSF, Canadian National, CSX, Norfolk Southern, Genesee and Wyoming, and several other short line railroads.

Prior to my current position with Lehigh Hanson, I worked as V.P. Logistics for Martin Marietta (from 2005 to 2018). During this time Martin Marietta was the largest U.S. aggretes rail shipper with over 20 million rail tons shipped per year and a rail car fleet exceeding 5,000 rail cars, while operating several short line railroads.

Other career experience includes working in the Oil/gas industry for Schlumberger (3 years), Coal Industry (3 years) and 31 years in the Aggregates industry.

I received a B.S. in Mining Engineering from Virginia Polytechnic Institute and State University as well as a M.B.A. from Georgia College and State University. I am currently serving as Second Vice President for the Southeast Association of Rail Shippers and have previously served on the BNSF Customer Advisory Board.

In my opinion, my previous industry and rail trasnportation experience will contribute a very balanced perspective to the RSTAC team. As a senior leader in Lehigh Hanson, I have a high level of interest in rail safety, capacity,

service, equipment, and overall rail logistics, and hope that you will allow me to contribute to the RSTAC effort going forward.

I am a United States citizen and am available immediately if appointed.

Best Regards,

David A. Little
