

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

About 2 months ago I could not get to the South North side of the town (where the Hospital is) because a very long train was blocking all of the streets going there and that was when only car & trucks were going there. More trains will be a disaster! ✓

[illegible]

Joliet
