Yes, my name is Terri Wiborg. I am calling you about I was not aware that the intent of the public scoping meeting for the acquisition therefore I did not attend but now I'm hearing that this is going to be increased construction and operations. I do not believe this was originally clear. I want to know if you will be holding additional scoping meetings and extending the comment period. I also want to know if it is possible to request a public scoping meeting in Naperville and can we view the Safety Integration Plan before comment period ends. My name is once again Terri Wiborg. I live at 4231 Chaparral Drive, Naperville 60564. My phone number's 630-904-2648. Thanks.
