Barrington also has a commuter train that goes straight through our small town. If more freight trains are added on a daily basis → I might as well forget about shopping & supporting local businesses. As it is now - if I don't get to the Jewel between 10 AM and 2:30-3:00 PM, I just don't shop that day. The traffic gets totally backed up as it is.

Suggestions

Add 2 or 3 freight lines on the weekend during the early morning hours. Maybe between 2:00 AM and 5:30 AM and cut out the whistle blowing. My husband & I already hear whistles around 11 PM & 3:30-4:00 AM.

Thank you,
Judy Belieff
