815-462-3530. I would like to leave my statement that I'm against any acquisition, I am against any increase of any trains through New Lennox, I am against any alteration of the roads. Against the whole concept of this acquisition and what it will do to New Lennox. If I need to sign any petition, no need to fill out any paperwork, please advise me either by phone, or send me anything back that you wish for me to fulfill. Thank you. Bye bye
