Transcript:

I live in the Ashwood Park subdivision and my concern is two things, one, I wanted to make sure there was a Naperville-Plainfield meeting established. It looks like from the Environmental Study that the noise and some of the other issues are above the acceptable standards and I want to make sure that we can voice our opinion on that. Theres, uh, my concern also would be, that no where in there did I see any accountability or funding to um, to address the noise issues that would be coming with uh, with the acquisition. So, those are my comments. Thank you
