I live in Lake Zurich and strongly oppose the proposed sale of EJ&E to CN. My children frequently ride their bikes or walk to the library from our home. I am scared to death that they will try to "beat the train" whenever the very numerous and very long CN trains come through our little town.....although they have been taught to obey the signals and respect the train traffic, if there are twenty trains on a daily basis.....their young and inexperienced minds might just take an awful chance that may have a tragic outcome.

Please, please, for the sake of our young people that visit our wonderful Ela Area Public Library that is a stone's throw from the tracks, help stop the sale of EJ&E to CN.

Sincerely,

Kristin M. Dunn
