Hello, this is Trev Homsy. My address is 19338 West Lakeview Ave, Mundelein IL 60060. And I have a question about the environmental impact that the railroad will have on my area if they add any tracks and the flooding. Also, do you guys take into account the safety? Of them coming through our area? With the traffic problems and the emergency vehicles getting to our homes? Please give me a call back at 847-566-2636. Thank you.
