To Whom This May Concern,

It is so sad nowadays when someone has a hairbrained idea and money
than tries to over power and alter so many communities. Taking them
from well working and peaceful to OVERBURDENED and STRESSFUL!

I am against this project because it is going to produce too many daily
traffic back-ups and delays, not to mention the transportation of unknown
and maybe hazardous materials. NO, is my vote on this Canadian
Railroad project. No, No, and no!!!!!!!

Sincerely,

Mrs. Audrey Dorey
