

Attn: Phil's Gymnastics

8-23-08

I am strongly op-

posed to the Can. N.E.'s

purchase + use of the

Exxon, Shell & Rail. Co.

the have earnings

that would cut off our

revenue in half, cut off

our fire trucks, tank

up our small roads with

big trucks + give a

bigly reward to our new

middle class which is

very close to a crashing

please note to this

dangerous acquisition. Donna Yates
