Message:

I oppose the sale of the EJ&E to CN as it will have an extremely negative impact on the people of NW Indiana. The increase number & length of trains which will pass through NW Indiana will have a drastic affect on vehicle traffic, with corresponding increases in emissions and probable delays for emergency personnel. A severe change in the quality of our lives will surely result.

Please put the interests of the citizens of NW Indiana ahead of those of a foreign owned railroad that wants to increase it's profit at our expense.
