I am adamantly OPPOSED to the CNR acquisition of the EJ&E Rail Line. It will cause even more problems for the already congested traffic problems in this area. Such an acquisition will 1) Dramatically increase auto congestion in areas that are already congested; 2) Increase potential of crossing danger to both automobile and pedestrian traffic; 3) Negatively impact property values in all affected communities; and 4) Increase the level of pollution. DO NOT approve this proposed acquisition!
