Docket #: -35087 - -

Subject: * CN and EJ&E rail lines
 First Name: * Greg
 Middle Name: * C
 Last Name: * Bedoe
 Address: * 998 Bosworthfield Rd

City: * Barrington
 State: * IL
 Zip Code: * 60010-
 Email Address: * bedoe@comcast.net
 Group/Affiliation: * Barrington resident
 Message:

The gridlock created by adding 20 plus freight trains a day from CN and the other railroads they allow to use the EJ&E line, at each of the four railroad crossing in our Village, will essentially halt all vehicular traffic in town for at least 2 hours a day, impede school buses, ambulances to Good Shepherd Hospital, Police and Fire Dept. movement and destroy the viability and vitality of our community. Our property values will plummet while CN's profits will soar. Does that sound like a good deal to you? It appears to me that CN only wants to pass their current congestion problems on to us, the Citizens of Barrington. Why?

Sincerely,

Greg C Bedoe
