STB Finance Docket No. 35087

ALL improvements, overpasses, noise barriers are CN's responsibility solely!
Not Aurora's, not Illinois, DuPage county, or the United States of America.
If I bought property and wanted to add a pond or trees would I expect others to pay for it? Even if the improvements raised the value of everyone's property. It is totally illogical for CN to expect municipalities they are moving freight through earning revenue for CN to have those municipalities pay for improvements to prevent the affected municipalities' congestion and environmental impact.
