

080111 White

Good morning, my name is Bill White. I'm with the Mayor's office of the City of Aurora in Illinois and this is regarding the meetings that the Surface Transportation Board have been doing in the Chicago area and we were wondering, given that fact that between Aurora and Naperville and Plainfield we've probably got close 350 and 400,000 population. Would the Surface Transportation Board be available to possible hold another meeting say in Aurora area that would be a service to the communities of Naperville, Aurora and Plainfield. We are in the process of setting up our own public meeting on this the 24th of January and we were wondering if in fact the Surface Transportation Board would like to make this another hearing in this vicinity. We'd be more than happy to talk. We are going to be wanting to get a press release out today in the, our local papers that mention an open house and, uh, you know with hopes that maybe we could get some representation by the Surface Transportation Board. Anyway, if you want to call me my name is Bill White again, City of Aurora, area code 630-844-3612. Thanks.
