

Sept. 20th, 2008

To whom it may concern;

I am a school bus driver
and I am greatly against
the EJ+E railroad being
taken over by Canadian
National Railroad. Please stop
this from happening.

Please think of the children
on my SCHOOL BUS
sitting + waiting for long
periods of time - would
you want your child
to go through that?

I Didn't think so.

Thank-you for time.
