Dear Congresswoman Melissa Bean,

I live very close to the tracks on Otis Rd. We live on beautiful Lake Hawley. I would be very disturbing if the CN increased the trains from five to twenty a day. That would be about one an hour. I fear for the pollution that it could be doing to the lake and the noise pollution would be just terrible for all the high priced homes in this Barrington Hills area. I feel that I would lose about \$500,000.00 in property value. Please continue to fight for us and I appreciate all that you have done so far. You have our support in fighting the CN.

In opposition of the CN
