RE: Docket No. AV-290 (Sub-No. 230X) Abandonment
Between Amigo and Devils Fork
FR#: 02-57-WM-1

Dear Mr. Paschall:

We have reviewed the above mentioned project to determine its effects to cultural resources. As required by Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations, 36 CFR 800: "Protection of Historic Properties," we submit our comments.

Architectural Resources:

We have determined that the proposed project will have no effect on any property eligible for or listed in the National Register of Historic Places. Therefore, no further consultation is necessary with this office regarding architectural resources.

Archaeological Resources:

A search of office site files and maps located no known sites within the 1 mile Area of Potential Effect (APE) of the project area. As well, your information indicates that the project will consist of the abandonment of lines within existing railroad rights-of-way. Therefore, we have determined that no known archaeological sites listed on or eligible for inclusion in the National Register will be affected by this project. If, however, cultural materials are encountered during construction, all such activities shall cease and our office shall be contacted immediately.

We appreciate the opportunity to be of service. If you have questions regarding our comments or the Section 106 process, please call Robin Fisher, Historian or Rachel Black, Staff Archaeologist, at (304) 558-0240.

Sincerely,

Susan M. Pierce
Deputy State Historic Preservation Officer
