- Paramedics can not reach my house w in 5 minutes if they come from FR Sq.
- Paramedics can't reach Camp Madetogan for emergencies in time to save / rescue people if they can't be reached from the Nebraska Station because of trains.
- Sleep deprivation, frustration & anger caused by the noise & delays will increase health & behavior problems & crime.
- My taxes should not have to pay for a Canadian company to make money by providing infra structure and safety structures for them.
- this whole issue could be avoided by putting this line through areas that would not be impacted FOREVER NEGATIVELY. There are plenty of places that have the property & ~~just~~ few homes to hurt.
