Yes, my name is Susan Severtson and I am an attorney in NW Indiana. I have been hired by the City of Gary to represent them in the Canadian Nation bid to acquire the EJ&E railroad. I did want to call and give your agency notice that the City of Gary, the Mayor Rudolph Clay and myself would like to be noted as parties of record pursuant to 49CFR1180.482. I will follow up this notification by phone, in writing as well. And we do have a schedule of your local meeting on Wednesday the 16th of January. And if someone would be kind enough to return my call. It's area code 219-881-1400 so I may get the precise address of the location to advise you in writing of our notice of intent to participate as a party of record and a request for all pleadings, notices and decisions. Again my name is Susan Severtson than hired by the City of Gary in the Canadian National railway matter. We do wish to become a party of record and would appreciate a return call at area code 219-881-1400. Thank you so much.
