Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # FD-35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

I have just moved to this area and greatly enjoy the farm land and peace and quiet my home gives me. This railway would disrupt all of that. It would also decrease my property value as the home I just purchased is very close to the proposed railway line. My children play here, go to school here, ride buses here. I would not want the rail line to disrupt their day to day life along with the wildlife they enjoy as the railway would cause problems with the animals habitat. Please reconsider building this. Thank you.
