

EI - 21009

Victoria Rutson
Chief of Section of Environmental Analysis
Surface Transportation Board
395 E. Street SW
Washington DC 20423

Dear Ms. Rutson,

As a landowner whose property is involved in the Easter Routes of the planned Southwest Gulf Railroad - FD34284, I would like to be designated as a consultant on the programmatic agreement on this proceeding.

My house is eligible for the historical district early American archeological artifacts.

If you require any additional information, please do not hesitate to contact me, and thank you for your attention to this matter.

Respectfully,

Richard T. Fournier
