 Message:

The increase in rail traffic would have a tremendous impact on our road transportation leading to difficulties for businesses, schools, and all aspects of life in the Aurora-Naperville area. It would also have a negative impact on our property values that cannot afford another hit.

The lives that will be lost due to increased rail traffic interfering with the ambulance service will be on your hands.

Please take the voice of the residents, businesses, school and government officials. DO NOT allow this increase in rail traffic.

Respectively submitted,
 Mary Kelly
