

Environmental Impact Statement

Scoping Comment for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company STB Finance Docket No. 35087

Comment Form

How Do I Submit Comments?

01432, 013008, Selk, PCT2, 60503, O.N. CF

- **Written Comments:** Complete and submit this form at the public open house scoping meeting, or follow the directions on the reverse side of this sheet to mail your comments.
- **Recorded Comments:** Provide your comments to a member of the project team or court reporter at this public open house scoping meeting, or call the toll-free project information line: 1-800-347-0689.
- **Electronic Comments:** Submit electronic comments by visiting the Surface Transportation Board's website, www.stb.dot.gov, under the heading "E-Filing."

Please refer to STB Finance Docket No. 35087 in all correspondence addressed to the Surface Transportation Board. Comments must be submitted by February 1, 2008.

Need to understand what will be done regarding the negative impact on our community and environment. What is proposed plan to allocate traffic congestion, environmental pollution, safety at crossings etc. With an estimated 40 trains per day that impacts the entire community greatly. Anytime we leave our homes we will have a greater risk of encountering a train at crossings. This is a major concern. Also how do you plan to ensure Rush hour traffic (which is already slow in the areas of the tracks) is not even more negatively impacting traffic flow, how do we ensure our emergency vehicles can get through at any time. What will be on board the trains what is being transported. How do we ensure of community + children's safety is not impacted by the frequency + cargo of the trains. No ^{supervisors} ~~supervisors~~ ^{do not exist} ~~do not exist~~ to support this volume of traffic. Crossings will become dangerous as people may make inappropriate decisions to keep from getting "stuck" behind a train. Major safety concerns regarding current crossings.
