Subject: * Acquisiton of the EJ & E
First Name: * Judy
Middle Name:
Last Name: * Mitchell
Address: * 1740 Edmonds Avenue

State: * IL
Zip Code: * 60451-

Message: Our family has lived in New Lenox for 28 years. We strongly oppose the acquisition of the EJ & E because of the following reasons: increased traffic congestion thru out town, longer wait times to cross the tracks not only commuting to work but for fire and safety vehicles as well, hazardous materials being on board, train noise, and the impact on the tracks. If they want more access run the trains through the open lands where there is little or no impact on any of our towns or villages.
