As a resident of the New Lenox Community that will be negatively impacted by this purchase, I strongly believe that the proposed railroad purchase, CN's railroad purchase of EJ&E will drastically and negatively impact emergency response times in New Lenox and Frankfort, Illinois, where I and my grandchildren, and children live. I'm equally concerned about the increased hazardous materials that will be routinely moving through our communities. Please take my concerns into consideration when you make your recommendation and vote no to the CN purchase. Thank you <repeated name and address> And I can be reached at 773-238-3742. Thank you
