Message: We oppose the acquisition for numerous reasons. An increase from 16 trains to 42 trains will only cause additional problems with noise, pollution, traffic congestion, traveling time delays, noise, vibrations, pollution--just to name a few. My husband and I are registered voters and will vote against any political personnel that plan on voting for this outlandish decision to the proposed acquisition and the EJ&E railroad plans to bypass around the congested rail lines of Chicago to utilize the rail lines in Will County. If you should want to contact me by telephone--I can be reached at 815.730.0568 and I can tell you more--if the comments I have made are not convincing enough for the NO VOTE.
