Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

My husband + I own a business in Barrington.
We are concerned that the proposed increase in freight
trains will impact our business + the all-around
economic health of the towns of Barrington +
Lake Zurich

More research should be done - But we are against
CN should not railroad this through ^{these routes}

The impact is too great on these towns

We are personally affected at Old McHenry,
Elm + Hough. We are going to be bottlenecked

YOUR INPUT IS IMPORTANT!
