To: Phillis Johnson-Ball,

This letter is coming to you from a very concerned Mom. We have two children in the Frankfort School District. As a Mom, a homeowner and a proud American, I am firmly against the sale of the EJE Railroad to the Canadian National Railway. The train traffic will increase by 400%!

This is inexcusable, how will emergency vehicles get to our schools.

In the world we
live in today — it
would be a crime
to put our kids in
that vulnerable place. Keep
this in mind 28 buses
6 crossings
8 X per day.

There must be another
solution.

Respectfully
Submitted,
Gau X Pomes
