Subject: Railroad abandonment in Harris and Chambers Counties

Ms. Wagner

I am reaching out to you regarding a proposed railroad abandonment in Baytown, Texas. Union Pacific is requesting authorization from my agency, the Surface Transportation Board, to abandon an approximately 2.23 mile long line of railroad that includes an historically significant vertical lift span bridge over Cedar Bayou. I would like to speak with you about the potential for the Harris County to participate in the Section 106 review of this project as a consulting party. Please feel free to give me a call at the number below whenever you have the chance.

Best regards,

Josh Wayland
