MS. JACKMAN: My name is Kristine
Page 1

2 Jackman, 1032 Oakland Drive in
3 Barrington, and I'm a physician who's
4 greatly concerned about access to
5 healthcare. If our closest hospital is
6 Good Shepherd Hospital and if there's a
7 train, our access to that hospital will
8 be delayed for the length of time not
9 only that the train takes to go through
10 but also for the time traffic takes to
11 clear so that the ambulance can get
12 through.

13 In addition, I'm a physician,
14 so there are many physicians that live on
15 the opposite side of the tracks, and they
16 will not be able to access or reach the
17 hospital in an expeditious manner because
18 of train traffic. I think that this --
19 the increase in train traffic will
20 greatly impede my ability to have safe,
21 reliable healthcare, and I'm against the
22 sale.
