Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/7/08

Comments must be submitted by September 30, 2008.

If this CN proposal is approved to purchase the E&J it will be a disaster to Barrington and the surrounding areas in so many ways.

1) Will make the Village at many times come to a grid-lock stand still. No way to avoid this even if changing grades at crossings.

2) Detrimental to area property values in the Barrington area and all the areas located close to the E&J tracks

3) Will affect police fire from being able to do their job in responding to fire auto accidents and individuals needing 911 service to Good Shepherd Hospital.

4) Will dramatically affect most schools in the area in terms of busing and child safety.

5) A Canadian Company stands to profit financially dramatically at our communities expense

6) Will impact our villages economy and Sales Tax base.
