History: This message has been replied to.

We do not have any tribes in our data set with NAGPRA interests in New Hampshire. That does not mean there are not tribes with land interests there. But none have been reported to us.

I also checked the HUD Tribal Directory tool (<http://egis.hud.gov/tdat/Tribal.aspx>). They also do not have any tribes listed for NH.

Our database is not exhaustive, but only a suggested starting place. NAGPRA repatriations have occurred in consultation with the non-federally recognized groups in NH: Abenaki Nation of New Hampshire and the Cowasuck Band of the Pennacook-Abenaki People, NH.

Hello,

I tried running a search for Grafton County NH at <http://grants.cr.nps.gov/nacd/index.cfm> and received a coded error message. I tried again for just New Hampshire, and found no results.

Is there a system issue going on currently, or are there no tribes with land interests in the entire state of New Hampshire?

Thanks,
