I am totally opposed to this project.
I retired in Westville after 45 yrs in Chicago.
I needed peace & quiet, thus the move to this
quiet community. This rail line will impact
my peace & quiet as well as the environment
around me. This rail line goes right through
my town and my back yard!
The farmers will be losing also.
Please think what you are doing to
our residents, our roads, and our
community. Thank you.

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
