Company

STB Finance Docket No. 35087

My wife STACEY AND MYSELF FEAR THAT  
~~BE~~ BEING RESIDENTS WITHIN 1/4 mile of the train  
OUR ONE YEAR OLD DAUGHTER WOULD suffer  
health consequences from exhaust, noise and potential  
hazardous spills.

~~The noise~~

we would not be able to get to work, school or

downtown BARRINGTON shops / grocery as ~~as~~  
the village is literally "boxed" in by all  
the train tracks. Unlike other communities  
where this may be a nuisance at one crossing,  
this village and our lifestyle would be paralyzed!

Finally,

Be cause of the immobility of people, traffic, and  
~~SHOULD~~ Emergency personell be needed we could  
suffer an life or death need for fire department  
or ambulance and they could not get to our  
home. Where ~~minutes~~ <sup>seconds</sup> count a 10 minute  
freight train could be disastrous! I would hold  
them personally liable for any consequences.
