Re: CSX Transportation, Inc., Abandonment in Dickenson County, Virginia, STB No. AB-55(sub-No. 799X)

Dear Ms. Brown:

This amended petition is filed on behalf of Dickenson County Board of Supervisors which is a political subdivision of the Commonwealth of Virginia, which is hereinafter referred to as 'proponent'.

While not taking a position on the merits of this abandonment, proponent requests issuance of a Public Use Condition as well as a Notice of Interim Trail Use rather than an outright abandonment.

A. Public Use Condition

Proponent requests the STB to find that this property is suitable for other public use, specifically trail use, and to place the following conditions on the abandonment:

1. An order prohibiting the carrier from disposing of the corridor, other than the tracks, ties and signal equipment, except for public use on reasonable terms. The rail corridor will provide an opportunity for numerous environmental, educational and recreational uses. The corridor will make an excellent multi-use recreational trail. The corridor will provide important wildlife habitat and greenspace. The conversion of the rail corridor to trail use will be in compliance with local recreational and land use policies.
2. An order barring removal or destruction of potential trail-related structures such as bridges, trestles, culverts and tunnels. The justification for this condition is that these structures have considerable value for recreational trail purposes. The time period requested is 180 days.

FILING FEE WAIVED

B. Interim Trail Use

The railroad right-of-way in this proceeding is suitable for railbanking. In addition to the public use conditions sought above, proponent also makes the following request:

STATEMENT OF WILLINGNESS TO ASSUME FINANCIAL RESPONSIBILITY

In order to establish interim trail use and rail banking under 16 U.S.C. 1247(d) and 49 CFR 1152.29 with respect to the right-of-way owned and operated by CSX Transportation, Inc., the Dickenson County Board of Supervisors is willing to assume full responsibility for: (1) managing the right-of-way, (2) indemnifying the railroad against any potential liability, and (3) the payment of any and all taxes that may be levied or assessed against the right of way. The property, known as the Florence Division, Kingsport Subdivision, Fremont Branch, extends from railroad milepost ZF 0.0, to railroad milepost ZF 13.65, at the end of the line, a distance of 13.65 miles in Dickenson County, VA. The right-of-way is part of a line of railroad proposed for abandonment in Docket No. STB AB 55 (Sub-No. 799X). A map of the property depicting the right-of-way is attached. The Dickenson County Board of Supervisors acknowledges that use of the right-of-way is subject to the sponsor's continuing to meet its responsibilities described above and subject to possible future reconstruction and reactivation of the right-of-way for rail service. A copy of this statement is being served on CSX Transportation, Inc. on the same date it is being served on the Board.

For your review find enclosed a resolution of the Dickenson County Board of Supervisors in support for the Conversion of the CSX Transportation, Inc. abandonment of 13.65 miles of railroad corridor Florence Division, Kingsport Subdivision, Fremont Branch, VA to Rail to Trail

Since the petitioner is a public subdivision of the Commonwealth of Virginia, i.e. local governing body, petitioner respectfully requests that the filing fees be automatically waived.

By my signature below, I certify service upon CSX Transportation, Inc., 500 Water Street, J801, Jacksonville, Florida, Attention: Gene Payne. U.S. Mail, postage prepaid, first class, on May 20, 2020.

Respectfully submitted,
Dickenson County Board of Supervisors
